## National Heritage Week

Each year national and local community organisations participate in Heritage week by organising events throughout the country. This year National Heritage Week will take place from Saturday 13th—Sunday 21st August, looking to the past to create a more resilient future.

Cultural heritage is the fabric of our lives and societies. It surrounds us in the buildings of our towns and cities, our landscapes, natural sites, monuments and archaeological sites. It is not only made up of literature, art and objects but also by the crafts we learn, the stories we tell, the food we eat, the songs we sing and the films we watch. Cultural heritage brings communities and people together.

National Heritage Week is part of European Heritage Days and the theme for this Year is "sustainability and biodiversity" creating opportunities for people of all ages from all backgrounds across Ireland **to learn more about Ireland's cultural and national heritage, helping to ensure its protection and preservation into the future.**

The heritage council is encouraging people to visit [www.heritageweek.ie](http://www.heritageweek.ie) to see what events are taking place in their locality or across the country should they be holidaying at home this year.

# Thought for Today

The famous reflection of Teilhard de Chardin suggests itself: The day will come when, after harnessing the ether, the winds, the tides, gravitation, we shall harness for God the energies of love. And, on that day, for the second time in the history of the world, man will have discovered fire.

The uncertainties of today are evident, political, economic and environmental. What can we as people of faith contribute? Again in the words of Teilhard, "there is something wonderful afoot in the universe." The eyes of faith see the deeper pattern.

## Prayer

Lord Jesus, let me know myself and know you, and desire nothing, save only you. Look upon me, that I may love you. Call me, that I may see you, and for ever enjoy you. Amen.

## Quote from St. Augustine.

*What does love look like? It has hands to help others. It has the feet to hasten to the poor and needy. It has eyes to see misery and want. It has ears to hear the sighs and sorrows of all. That is what love looks like. St. Augustine: Confessions*
