25th Sunday in Ordinary Time

Season of Creation

Walk Don't Run By Rob Bell

Walk, don't run. That's it. Walk, don't run.
Slow down, breathe deeply, and open your eyes
because there's a whole world right here within this one.

The bush doesn't suddenly catch on fire,
it's been burning the whole time.

Moses is simply moving slowly enough to see it.

And when he does, he takes off his sandals.

Not because the ground has suddenly become holy,
but because he's just now becoming aware that the ground
has been holy the whole time.

Efficiency is not God's highest goal for your life,
neither is busyness, or how many things you can get done in one day,
or speed, or even success.

But walking, which leads to seeing, now that's something.

That's the invitation for every one of us today,

and every day, in every conversation, interaction, event,
and moment: to walk, not run.

And in doing so, to see a whole world right here within this one.
